To Whom It May Concern:

Open Life is connecting community resources where there is greatest need within our region, through a second annual school supply give, for Liberty Ridge Elementary School in Bonney Lake. Imagine being a part of donating and distributing school supplies for one targeted school, erasing the burden from an entire school population of more than 450 students.

Donations are needed prior to August 5<sup>th</sup> for the distribution of these supplies, which happens on the evening of August 25<sup>th</sup> at the school's back to school BBQ, which donors are invited to participate in.

We want to invite your participation in way of discounted supplies or a financial donation for this very goal. Open Life will match, dollar for dollar, up to \$2,500 of all donations given prior to August 1<sup>st</sup>. The school's supply needs cost approximately \$5,900-\$6,500 retail through various supply sources. How could your organization participate?

1. Financial Gift of \$100 or more
2. Gift Card to purchase supplies in your establishment
3. Supplies from the list collected in your place of business or by your business (see attached list of needed supplies)
4. Become a matching fund supporter, matching dollar for dollar up to a limited amount to help people's dollars go farther. Inspiring generous support from the community.

We are making this effort on behalf of Liberty Ridge Elementary; therefore, we have attached a request letter from the school with their tax-deductible information on it for your records.

Thank you for your consideration,

Re: Liberty Ridge Elementary School Supply Support

To Whom It May Concern:

Last year, with the help of Open Life Church and members in community of Bonney Lake, all Liberty Ridge Elementary students were provided their school supplies at no cost to them. Because over 60% of our families are experiencing significant financial hardship and qualify for free and reduced lunches, this act of kindness had an incredible impact on our families. The free and reduced lunch count at LRE significantly exceeds all but one elementary school in the Sumner School District.

We are hoping to find partners in our community to help us provide school supplies to our students again this year. Last fall parents shared stories directly and indirectly regarding the feelings of relief, support and caring toward their families by the community. The school supplies relieved a burden that many of our families are forced to deal with every fall when school starts. Some families struggled to find the words to express their deep appreciation, but their teary eyes said more than words could.

Any support you can provide is appreciated. Our Tax ID# is 91-0783342.

Thank you!

### Items - Quantities Needed

- 2-pocket folders (no prongs) - 1755
- Black Sharpies - 131
- Block Erasers - 899
- Colored Pencils - 27 boxes
- Composition Notebook - PRIMARY - 252
- Composition Notebooks (reg) - 184
- Crayons (24 count - prefer Crayola) - 498
